IN EXECUTION

OUR VISION

To build a future defined by innovation, trust, and sustainable growth, creating lasting value and opportunities for the communities we serve.

OUR MISSION

To create meaningful progress through strong partnerships, transparent practices, and a commitment to excellence.

INNOVATION

Embracing better ideas and forward-thinking solutions.

INTEGRITY

Building confidence through honesty and accountability.

GROWTH

Creating opportunities for long-term shared success.

TYPES OF INCOME

01

DIRECT INCOME

Earn income by personally introducing eligible members or customers.

02

MATCHING INCOME

Earn a percentage of the qualifying business volume matched between your left and right leg.

03

RANK & REWARD

Achieve higher ranks and earn special rewards, bonuses, and incentives.

04

SALARY INCOME

Receive a fixed or performance-based salary as per your rank and company policy.

05

ROYALTY INCOME

Earn long-term royalty income based on the overall business growth and leadership levels.

DIRECT INCOME

Direct Income is an earning opportunity based on personally introducing eligible members or customers to HANS INFRA TECH.

DIRECT INCOME RATE

5%

of the qualifying referral value.

HOW IT WORKS

01

Introduce an eligible person to the company.

02

The person completes a qualifying transaction or registration.

03

Direct Income is calculated at the applicable 5% rate.

DIRECT REFERRAL STRUCTURE

EXAMPLE CALCULATION

Qualifying Value	Direct Income Rate	Calculated Income
₹1,00,000	5%	₹5,000

MATCHING INCOME

Matching Income is an income opportunity based on a two-leg network structure, where eligible business activity is matched between the Left Leg and Right Leg.

MATCHING INCOME RATE

5%

of the qualifying matched value,
subject to company rules.

HOW IT WORKS

01

Build Two Legs

Develop a network through the Left Leg and Right Leg.

02

Match Business Volume

Eligible business volume from both legs is matched as per company rules.

03

Earn 5% Matching Income

Receive 5% of the qualifying matched value, subject to company terms.
